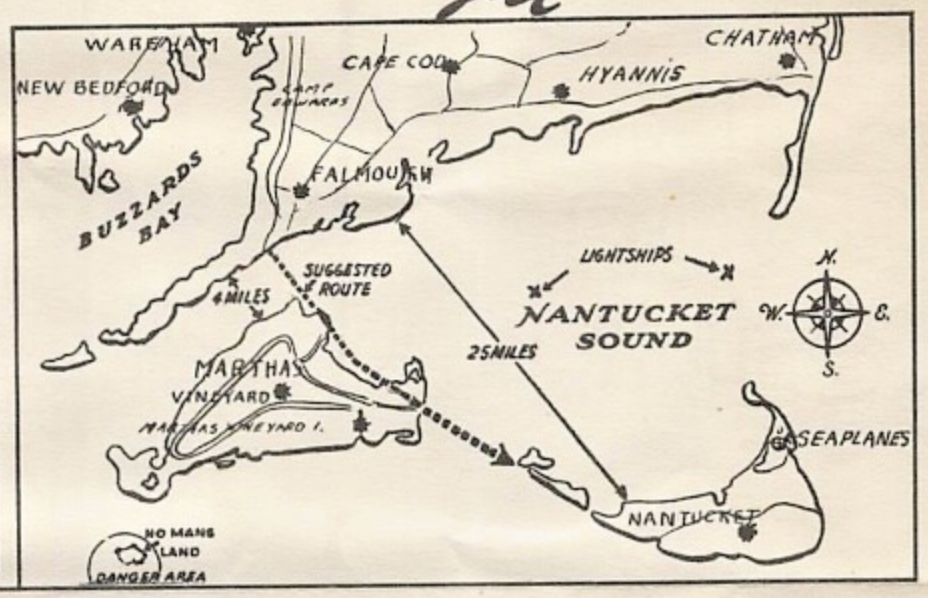
1000 Plane AOPA Flight



LAST CALL FOR RESERVATIONS. Come early - Stay late. Bring bathing suit, golf clubs, tennis racket, or fishing gear. Of course, the ladies will need their dancing shoes.

PROGRAM: Boats and gear available for deep sea fishing. Sailboats and bicycles for rent. Tennis courts are in town area and golf course is a few blocks away. Hot shore dinner at 5 P.M., followed by beach combing and dancing. Best swimming at 11 A.M. Land by ten for deep sea or boat fishing.

COSTS: Registration fee - 50¢ per person. Delicious shore dinner - $3.85 (includes tip). $2.00 to $4.00 MAXIMUM, per person, at all hotels; Ships Inn, White Elephant, Sea Cliff, Wauwinet Overlook, India House, Ocean House, Gordon Folger and Harbour House.

SAFETY: Coast Guard patrol will be maintained Saturday and Sunday for your over water protection. Complete emergency equipment is on Field. CAA has agreed to monitor 3105 kc. and 122.1 mc. at Nantucket Airport the flight weekend, and will install temporary tower communications on a frequency of 278 kc. at airport. A NOTAM advising all pilots regarding this special installation of 278 kcs. will be issued well in advance of June 19. Tower at New Bedford will transmit on 254 kc.
Please DO NOT fly over the town of Nantucket.

GASOLINE: *PLEASE REFUEL ENROUTE. BECAUSE OF GAS TRANSPORTATION PROBLEMS TO NANTUCKET ISLAND, AND A 40¢ PER GALLON COST, IT IS REQUESTED ALL PLANES REFUEL ENROUTE.* Wareham, Mass. is being set up as your refueling stop. Latest weather and route information will be available at Wareham. Cities Service Oil Co. is offering a discount on 80 and 91 oct. gas at this field for all flight participants. Instead of 32 cents, gas will cost 24 cents a gallon. Applications for state gas tax refund will be given with fuel. Seaplanes will be refueled in cove south of the field at Wareham. Watch for gas truck on beach.

NON-PLANE OWNERS: Make airline reservations at once. Regular flight by Northeast Airlines, Inc. is already completely reserved. Mention placing your reservation for possible second section. Boats run to Nantucket from New Bedford and Woods Hole, Mass.

TRAFFIC: Left hand pattern. Temporary Nantucket Tower will transmit on frequency of 278 kc. Non-radio equipped planes will be serviced by lightgun. Follow directions of linesmen with flags after landing.

SPONSORS: All co-sponsors assisting the New England AOPA Unit will be acknowledged in a future AOPA PILOT and other publications.

"BRING OWN STAKES AND TIE-DOWNS"
